Gary Beeber—the filmmaker behind the documentary *Dirty Martini and the New Burlesque*—produces this monthly revue, which takes on elements of political satire, comedy, performance art, dance and general onstage allure. This month's headliner is the veteran performer Tigger (the very first Mr. Exotic World), with further onstage delights coming from the luscious likes of Veronica Varlow, Ms. Tickle, Harvest Moon, and BB Heart; the World Famous "BOB" serves as the imposing host, and Dangrrr Doll prowls the venue as the affair's stage kitten.
